Participating Akademi/Universitas/Institusi (AI/IS) and all universities signed in MoU are mutually interested in exploring cooperation in the fields of education, research and cultural exchange. To the extent feasible, both institutions will develop programs and activities of cooperation between their students, faculty, staff, departments and research institutes under the provisions of this memorandum.

The particular programs and activities may include:

1. Development of joint course and education programs
2. Student Mobility
3. Exchange of staff
4. Appointment of visiting scholars
5. Exchange of information including the exchange of library materials and resources
6. Collaboration of joint research and publications
7. Collaborating of joint conferences, seminars and workshops

All details of all activities including their suggestions, fees and cost involved in this MoU, may only be proposed and implemented on the basis of agreement as to be signed by both institutions.

This Memorandum of Understanding (MoU) may be amended at any time by mutual consent. It will be effective for a period of five years commencing from the date of signature. It will, however, may be extended for another five years unless one of the institutions terminate it through by written notice of a year prior to expiry.
