

MEMORANDUM OF UNDERSTANDING (MOU)
BETWEEN
YU DA UNIVERSITY OF SCIENCE AND TECHNOLOGY
AND
UNIVERSITY MUHAMMADIYAH SEMARANG

Yu Da University of Science and Technology, Miaoli County, Taiwan, represented by its President, and University Muhammadiyah Semarang, represented by its President, agree to the following terms:

1. That this MOU is intended to facilitate all exchanges and cooperative initiatives between the Yu Da University of Science and Technology and University Muhammadiyah Semarang in the areas of instruction, research, exchanges, institution and program promotion and development, as well as community services.
2. That the parties recognize that implementation of any agreement will depend upon the academic interest of the institutions, expertise of faculty or staff members and the availability of financial resources.
3. That the parties will explore a variety of cooperative initiatives including :
 - The institutions mutually agree to exchange information, faculty, and students.
 - The institutions will formulate specific action agreements to assist in creating and operating cultural programs.
 - The institutions will explore ways and means to develop mutually beneficial academic programs.
 - The institutions will execute the dual-semester system.
4. That financial and/or funding consideration shall become the subject of specific discussions and agreements with the Administrations of both universities.
5. That specific projects to which this MOU may lead will be subject to joint and periodic evaluations by appropriate authorities within the respective universities.
6. That this MOU will be in effect for a period of three years and is subject to revision by mutual agreement. It is also understood that either institution may terminate the

agreement upon one year's written notice. It is assumed that such action would be taken only after mutual consultation to minimize potential inconvenience to the other party.

7. That the Memorandum of Understanding and following Agreements are not intended to be legally binding documents; rather, they are meant to describe the nature and cooperative intentions of the institutions involved, and to suggest guidelines for cooperation. Therefore, nothing shall diminish the full autonomy of the institutions, nor may any constraints be imposed by either upon the other. Such intentions are not relevant to the Agreements related to joint academic degrees; such Agreements may bestow legally binding recognition.
